SUMMARY

The Department of Social Services receives donations throughout the year from the community and through juror fee donations that are used to benefit children in care and families who are clients.

Strategic Objective supported by this item: Safe, Secure, and Healthy Communities

PREVIOUS ACTION

The Board routinely accepts donations for the Department.

BACKGROUND

The donors listed under General Donations generously gave these funds to the Department to be used for miscellaneous needs for the children in care at the Kids Kottage emergency shelters and families who are clients of the Department of Social Services.

In December 1993, a Resolution Establishing a Program for the use of Donated Juror Fees was approved by the Board of County Commissioners. This program enabled jurors to donate their fees (grand juror and trial juror) to Child Protective Services (the agency which provides protective services as defined in NRS 432B.030). The resolution states that the money must be used only for a program or activity which is designed to prevent the abuse or neglect of a child or to benefit an abused or neglected child (as defined in NRS 432B.020).
